

Dear Parents and Guardians

Greetings!

We would like to welcome you back to the third and final term of this year. A hearty welcome is extended to all our new parents and their children to the wonderful Lake Road PTA School family.

Our fervent hope is that all our learners are rested and ready to take on work set out for this term. The seventh, ninth and twelfth graders opened school two weeks earlier in order to prepare adequately for the national examinations.

Kindly take note of the following as we begin the term:

#### **1.0 Road Expansion Works**

As you have noticed, there are road expansion works taking place on Lake Road. In the interim, our entry into School is on Buluwe Road and we will exit into Leopard's Hill Road.

#### **2.0 Drop-Offs and Pick-ups**

Let us park in the designated areas to avoid a pile up of traffic especially in the morning. Areas marked with yellow lines are non-parking areas.

Your usual cooperation is highly coveted.

#### **3.0 Hygiene**

The hot season is with us again. At the beginning of this year, the School invested in hand sanitizers and hand-wash water dispensers for all the classes. Let us continue to impress on our children to maintain the highest standards of hygiene to avert their susceptibility to diarrhoeal diseases.

#### **4.0 Ebola Alert**

The Ministry of Health has been informing the general populace of the outbreak of Ebola in the Democratic Republic of Congo.

##### **Tips**

- Ebola spreads through contact with body fluids such as blood, saliva, sweat and urine of an infected person.

- To prevent Ebola, hands must be washed regularly with clean water and soap, and good hygiene must be maintained at all times.

Let's keep safe and healthy in line with the old adage; "Prevention is better than therapy."

#### **5.0 Afternoon Program**

The afternoon program for Grades One to Twelve will start on **Monday 17<sup>th</sup> September, 2018**. Knocking off times will be at 12:30 hours and 13:10 hours for the Primary and Secondary School, respectively in the first week of this term.

A detailed program of the afternoon activities will be circulated by the respective sections of the school.

#### **6.0 School Fees and Receipts**

Please collect the School Receipt from the Accounts office for every payment.

Kindly note that any child whose fees for term two were not settled in full will **not** be allowed in class tomorrow **Tuesday 11<sup>th</sup> September, 2018**.

#### **7.0 National Examination**

The seventh, ninth and twelfth graders will sit the National Examinations in the course of this term. Make sure your child has a copy of the Final Examinations Timetable.

#### **8.0 Grades 7 & 12 Graduation Ceremonies**

The Graduation Ceremonies for the seventh and the twelfth graders will take place, tentatively, on 12<sup>th</sup> and 29<sup>th</sup> November, 2018 respectively. Both event will be held at Lake Road PTA School. Details will be availed in due course.

#### **9.0 Swimming Program**

The Fundraising Committee will be conducting swimming lessons in partnership with the Lusaka Water Babies. Sessions will run from 16:30 – 18:30 hours from Monday to Friday and from 10:00 – 16:00 hours on Saturdays. The cost of the training is K250.00 per month for Lake Road PTA School learners and K350.00 for others.

We look forward to a very productive school term.

Yours faithfully

C Chella  
School Manager
