

Dear Parents and Guardians

Greetings!

In the wake of rampant gassing incidences being reported around our city, we have instituted some stringent security measures to protect the lives of the learners and other members of the School Community.

We are aware that some of the measures we will take will invariably inconvenience you our dear parents but it is all in the best interest of our primary priority, the child. Our appeal is that you will be patient enough and bear with us during the implementation period of the set measures.

The following are some of the security measures we have put in place with immediate effect:

1. All motor vehicles intending to access the School will be required to have a conspicuously displayed **Entry Permit Sticker**. The Entry Permits are on sale at K5.00 from the Class Teachers and the Administration Officer.
2. Access will be denied into the School premises if the motor vehicle has no Entry Permit Sticker by **Wednesday 19<sup>th</sup> February, 2020**.
3. All Gates will be closed 30 minutes after the peak hours i.e. 08:00 hours, 13:45 hours and 16:45 hours daily.
4. Access to the School during business hours will be highly restricted. All motor vehicles that will be granted access to the School during this period will be searched.
5. Civilian Day will be suspended until further notice. However, contributions meant for the day will still be requested.
6. At intermittent times, state police will be at the School.

Thank you for your usual support and cooperation.

Yours faithfully

C Chella  
**School Manager**
