Dear Parents and Guardians,

We would like to welcome you to the Second Term. A special welcome is extended to all the learners and parents who have joined the Lake Road PTA School Community.

In keeping with our tradition, we would like to share some pertinent information about the School activities as we begin the term.

Kindly take note of the following;

The afternoon program for both Primary and Secondary School will start on Monday 16th May, 2022. The sessions will run respectively from 07:30 hours to 15:30 and 16:00 hours for Primary and Secondary School. The respective sections of the School will circulate calendars on the class WhatsApp Groups and the Website.

2.0 School Fees

The School Fees for this term remain unchanged. Parents are encouraged to adhere to the school fees payment policy to avoid being inconvenienced by the Accounts section.

We would also like to encourage our parents who pay the School Fees by cheque or using mobile money platforms to ensure that the proof of payment is submitted timely to the Accounts Office. This will help the School to allocate such payment in good time.

This year, the School shall conduct the Prize Giving Ceremony in the third term. Learners who will have excelled in the various disciplines throughout the year shall be awarded certificates of exceptional
