7.0 Family Fun Day

We wish to thank you for the immense support towards the Family Fun Day. However, we appeal to the parents who still have not paid for the tickets that were given to their children/wards to do so. The money raised would be channelled to improving the School grounds and infrastructure.

8.0 Educational Trips

8.1 Livingstone

The fifth graders are off to Livingstone and Kasani in Botswana from Monday 19th August to Sunday 25th August 2019.

8.2 Namibia

The sixth graders will undertake their tour of Swakopmund and Windhoek in Namibia from Wednesday 28th August to Wednesday 4th September, 2019

We wish both groups divine providence and protection.

Yours sincerely

My Attitude

"As a man thinks in his heart, so he is"
Proverbs 23:7

1. My attitude as I begin a task will affect its outcome more than anything else.
2. My attitude toward others determines their attitude toward me.
3. My attitude is the major difference between success and failure.
4. My attitude can turn my problems into blessings.
5. My attitude can give me an uncommon perspective on life.
6. My attitude is my best friend or my worst enemy.
7. My attitude, not my achievements, will give me happiness.
8. My attitude will change when I choose to change it.
9. My attitude needs continual adjustment.
10. My attitude is contagious.
